

## OII Research and Policy Workshop, 27th March 2006

Wanadoo, The Point, 37 North Wharf Road, London W2 1AG

11.00am Coffee and registration

11.15am **Internet Generations**  
Prof. William H Dutton

The first part of the workshop will draw on data from the 2005 Oxford Internet Survey (OxIS) to explore generational and age-related patterns of Internet use.

12.00pm Discussion  
Moderator: Prof. Helen Margetts

12.45pm Networking Lunch

1.30pm **Understanding Internet Filtering Worldwide**  
Prof. Jonathan Zittrain

This second session will focus on the latest insights and issues in Internet filtering conducted by national governments, including recent controversies over the role of Western firms who assist in political censorship or surveillance.

2.15pm Discussion  
Moderator: Dr Victoria Nash

3.00pm Workshop end
