Internet adoption by individuals in Britain (2003–2005)

OxIS 2003: N=2,029 (All respondents); OxIS 2005: N=2,185 (All respondents)

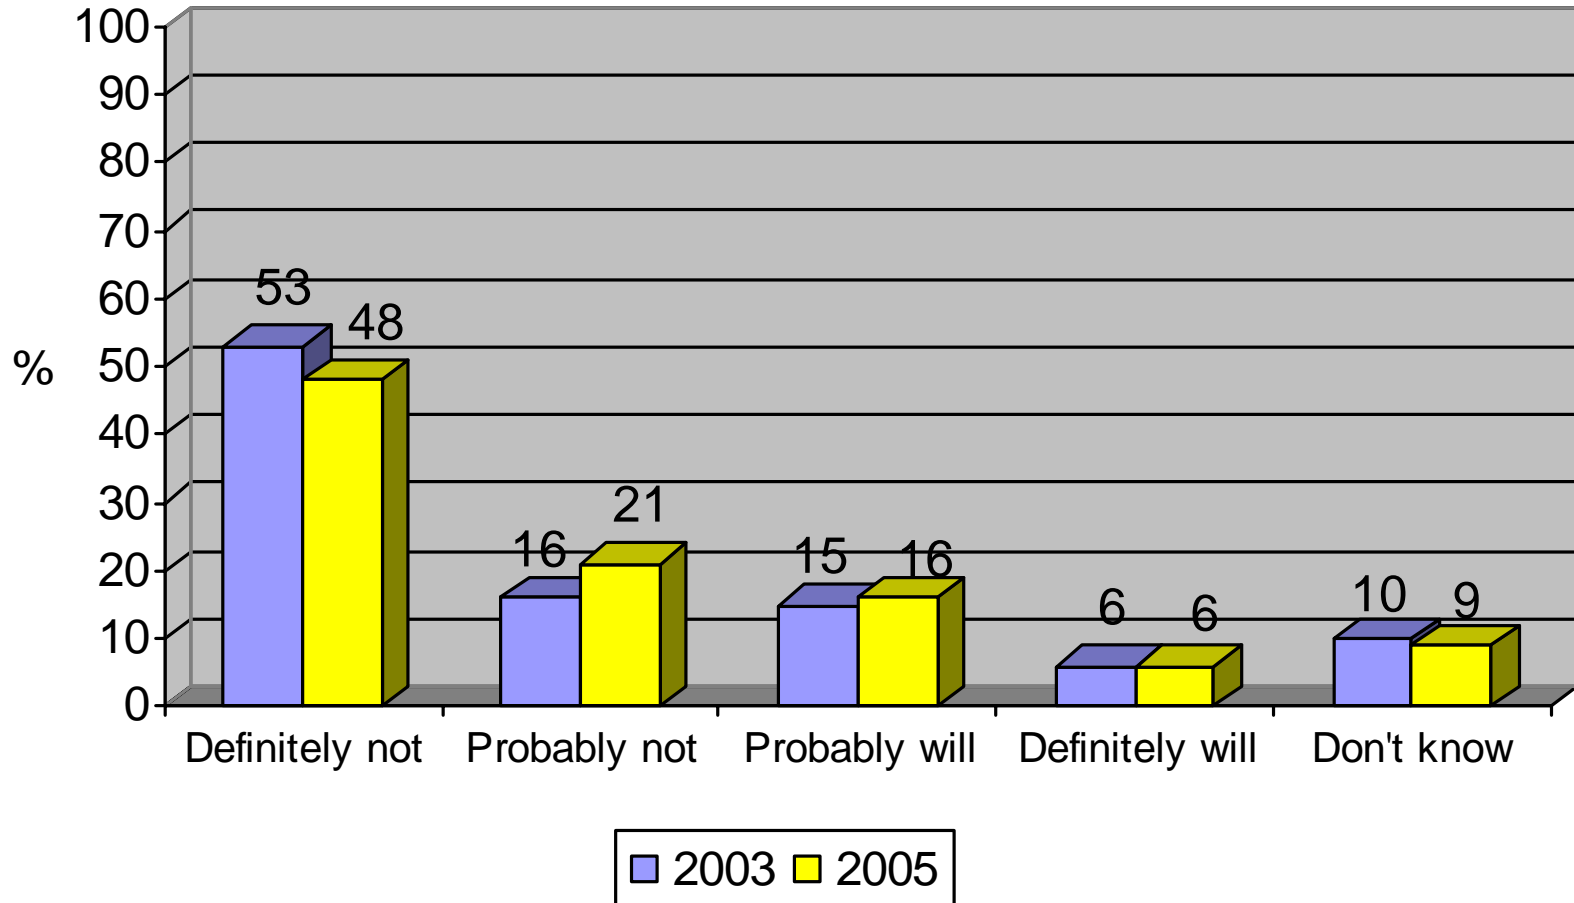

Household Internet adoption (2003–2005)

OxIS 2003: N=2,029 (All respondents); OxIS 2005: N=2,185 (All respondents)

Households planning to get Internet access in the next year (2003-2005)

***OxIS 2003: N= 848 (Households with no Internet access);
OxIS 2005: N= 855 (Households with no Internet access).***

Broadband connection per household with Internet access (2003-2005)

***OxIS 2003: N= 1,172 (Households with Internet access);
OxIS 2005: N = 1,330 (Households with Internet access)***

Households considering Broadband in the next year (2003–2005)

***OxIS 2003: N= 930 (Households with narrowband Internet connection);
OxIS 2005: N= 534 (Households with narrowband Internet connection)***

In your household is the Internet left on all or most of the time or connected only when you are actually using it? (2005)

N= 784 (Broadband users only)

Modes of Internet access in the household (2003–2005)

***OxIS 2003: N= 1,172 (Households with Internet access);
OxIS 2005: N= 1,330 (Households with Internet access)***

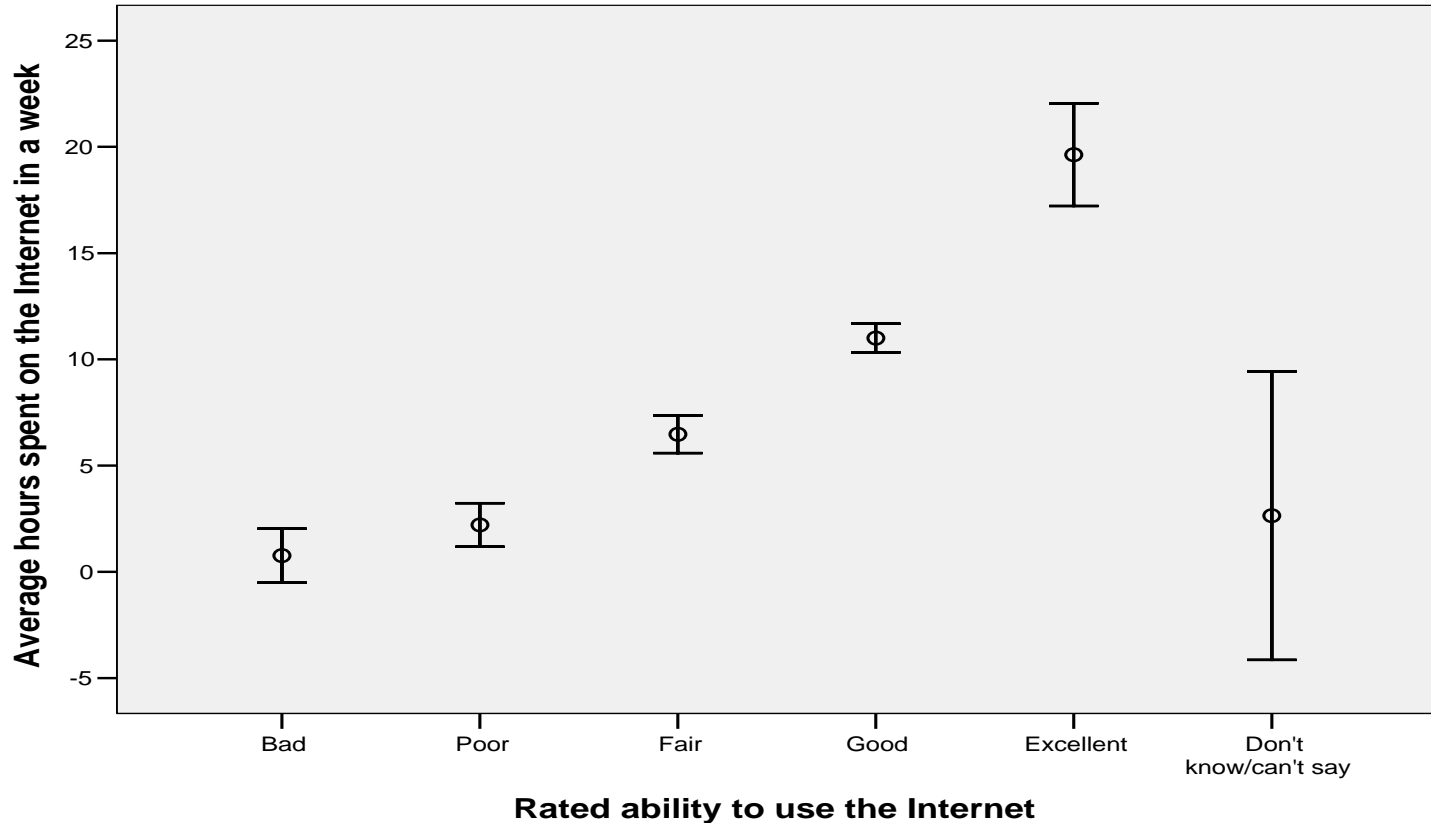

Places of access (2003–2005)

OxIS 2003: N= 1,201 (Current Internet users) N= 1,309 (Current Internet users)

Average time spent online in a week by life stage (2005)

OxIS 2005: N= 1,309 (Current Internet users)

*average hours spent in a week on the Internet with 95% confidence interval level

Have you ever tried to set up a Web page? (2003-2005)

OxIS 2003: N= 1,201 (Current Internet users);
OxIS 2005: N= 1,309 (Current Internet users)

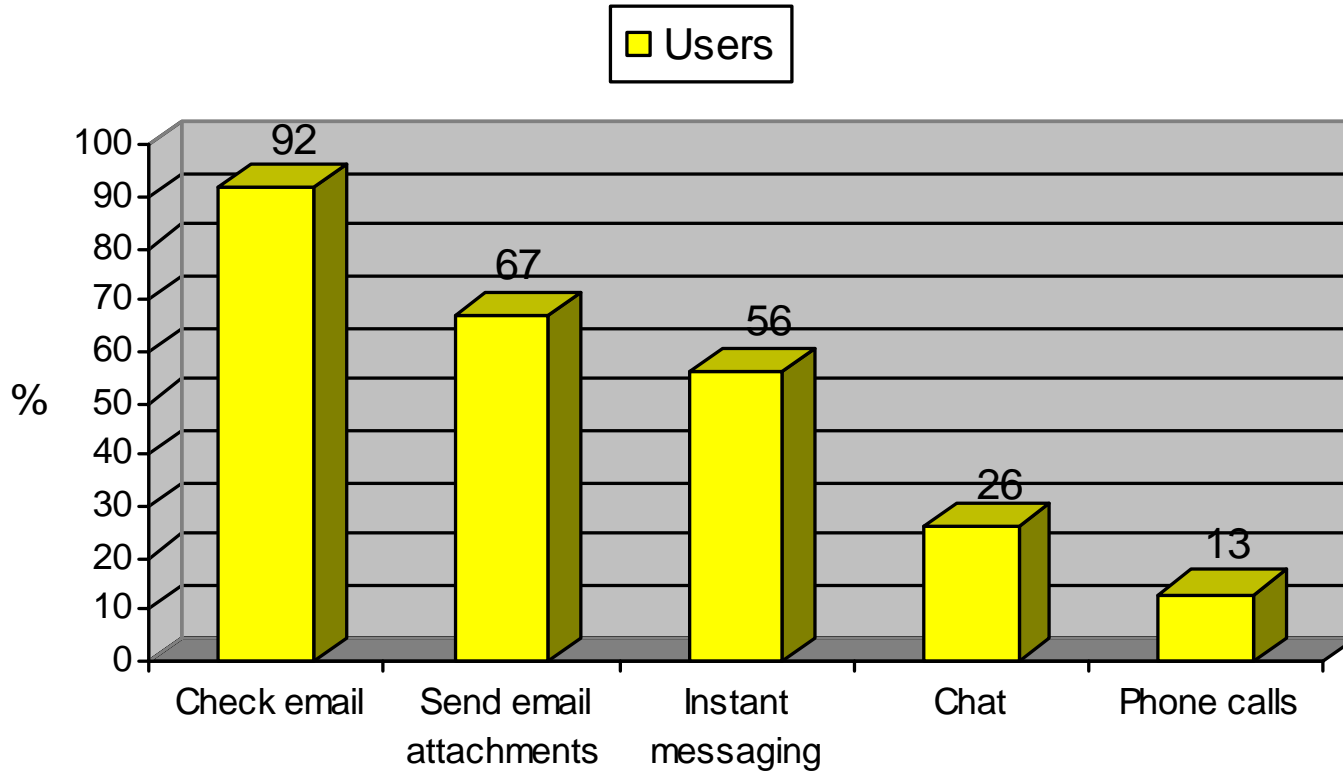

Users

e-Communication (2005)

N= 1,309 (Current Internet users)

e-Information (2005)

N= 1,309 (Current Internet users)

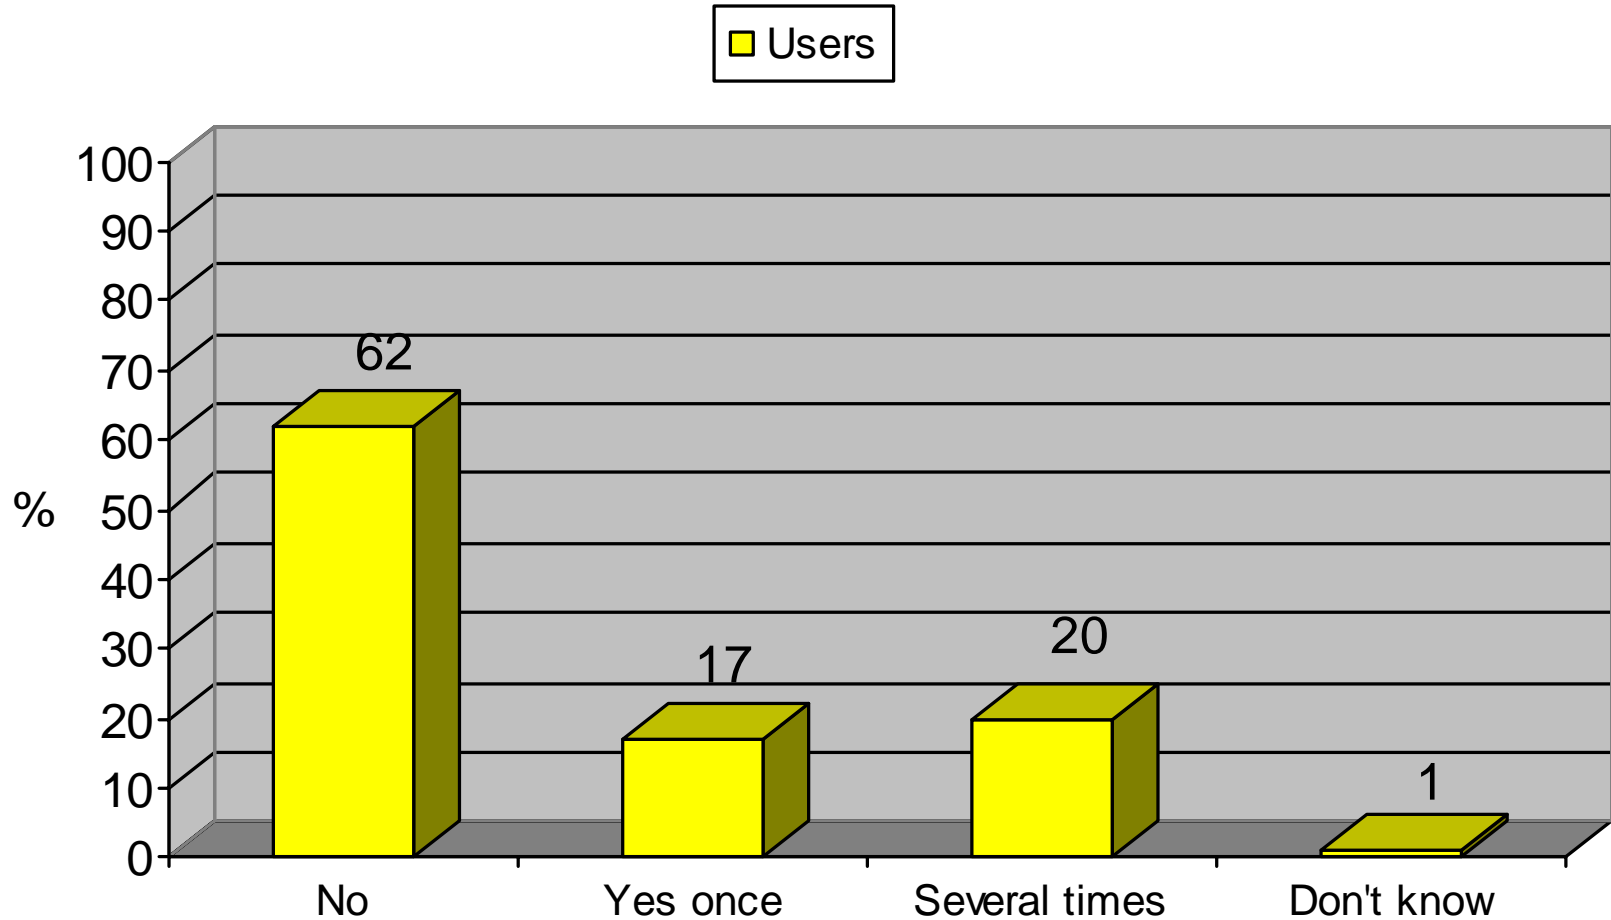

Do you read any newspapers or news service online that you do not read in print? (2005)

N= 1,309 (Current Internet users)

Access to health care information in the past twelve months (2005)

N = 1,309 (Current Internet users)

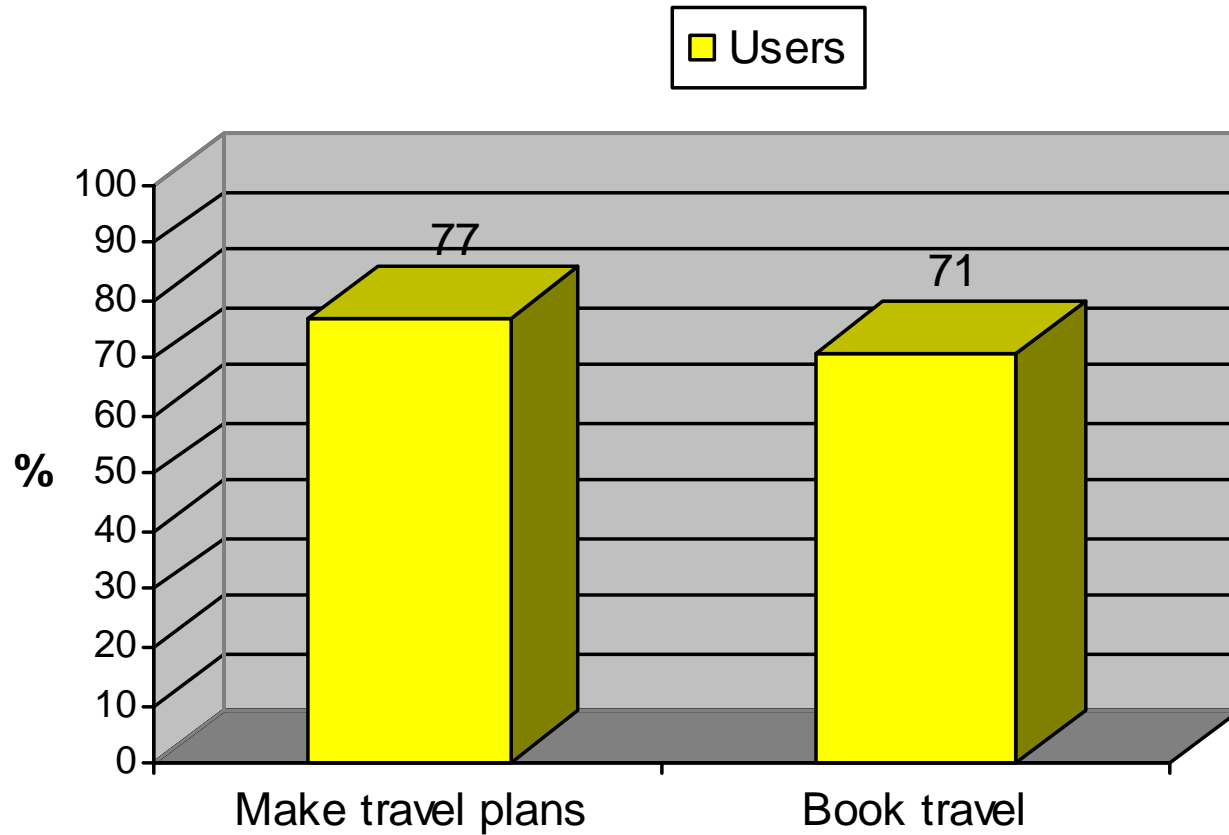

How often shop online (2005)

N= 1,309 (Current Internet users)

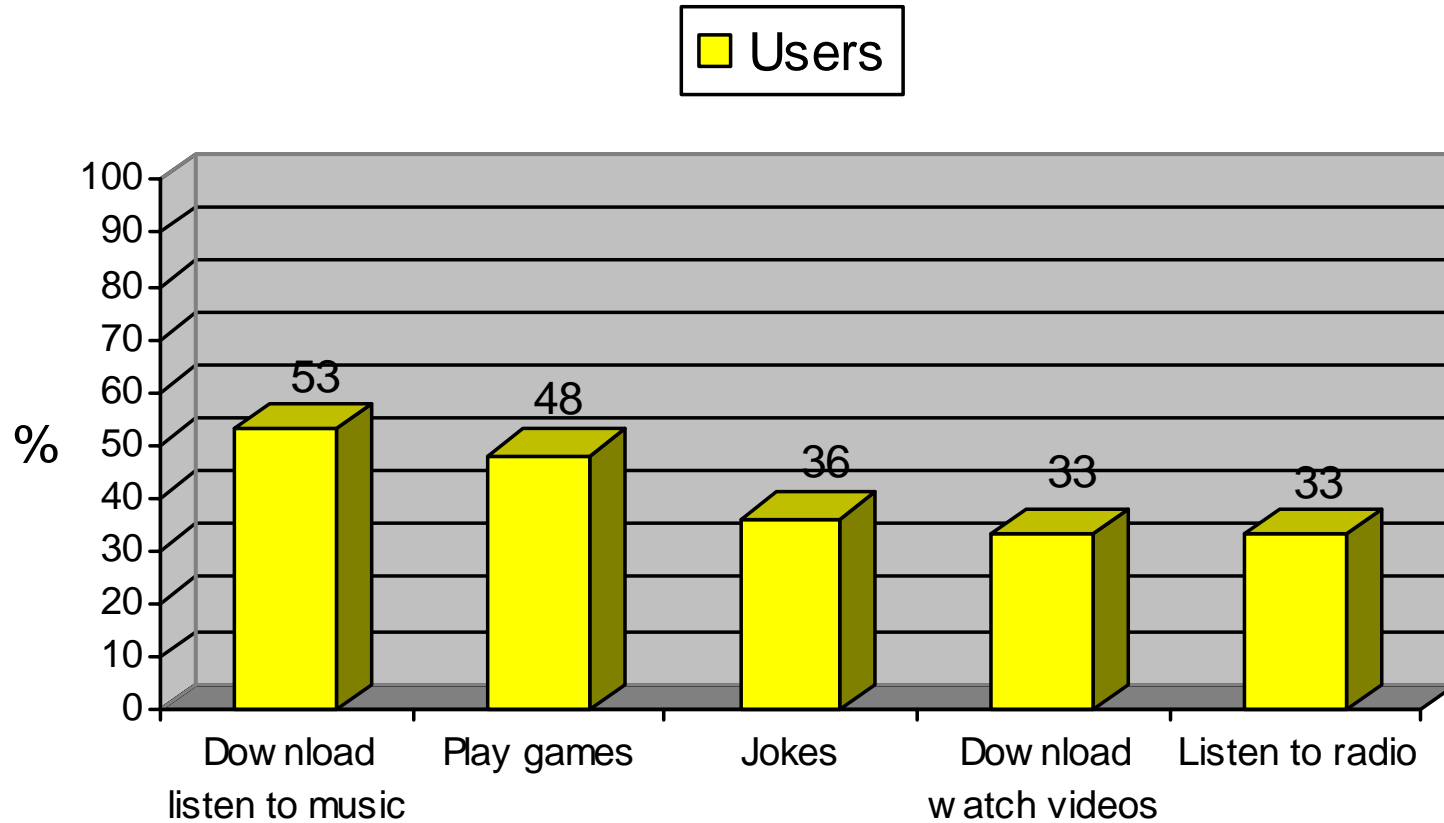

e-Travel (2005)

N= 1,309 (Current Internet users)

e-Entertainment (2005)

N= 1,309 (Current Internet users)

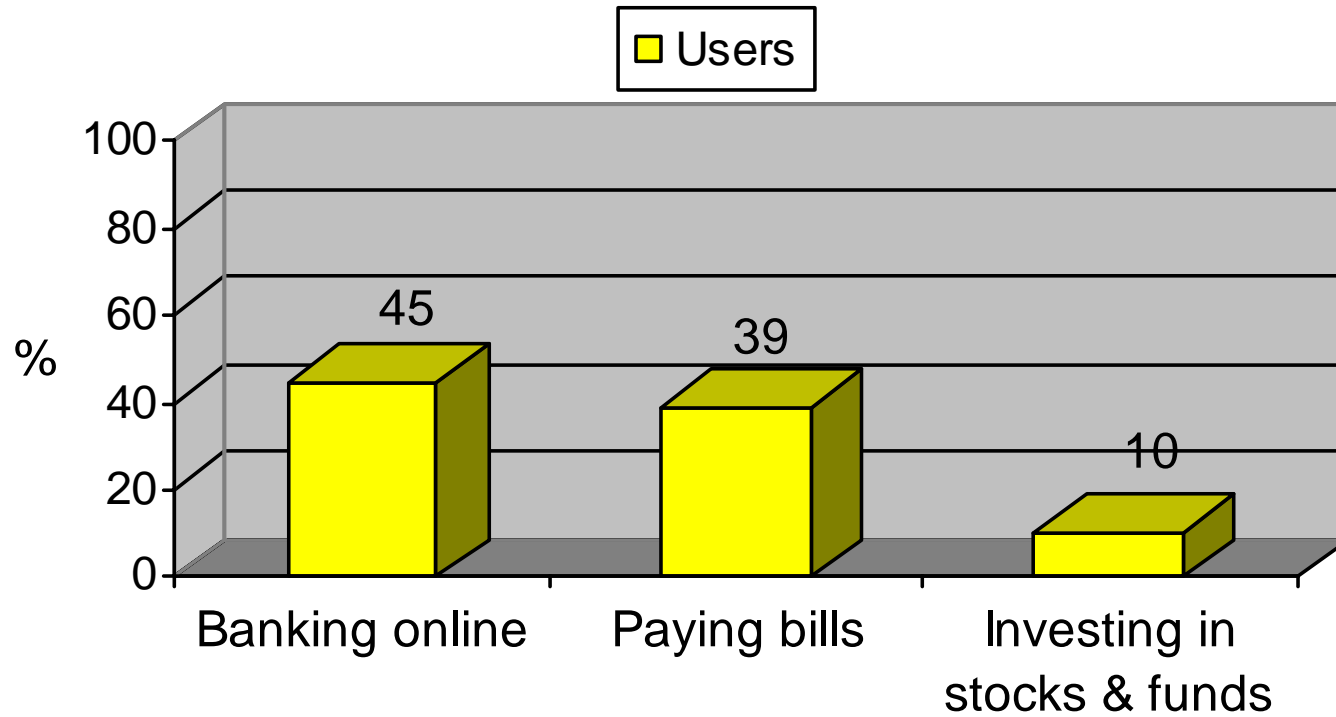

e-Learning

N= 1,309 (Current Internet users)

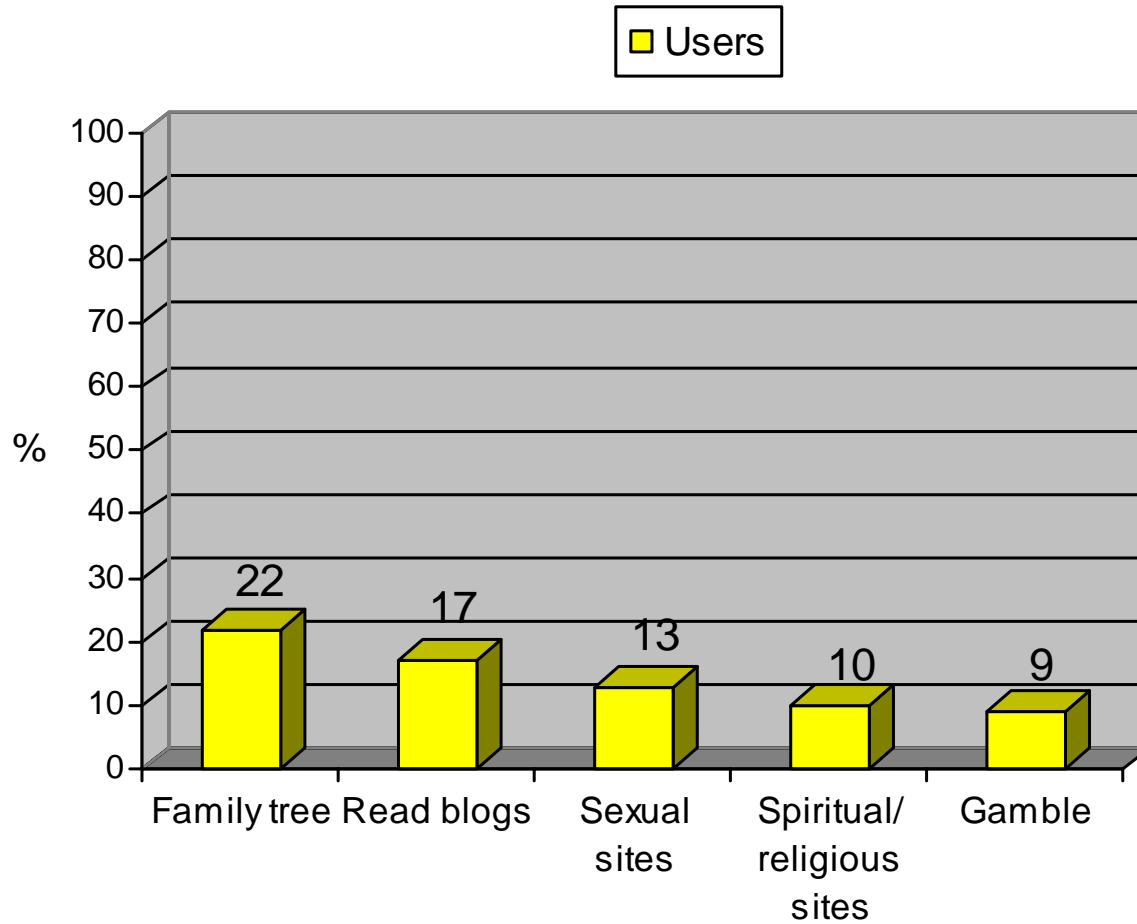

e-Money (2005)

N= 1,309 (Current Internet users)

Other uses (2005)

N= 1,309 (Current Internet users)

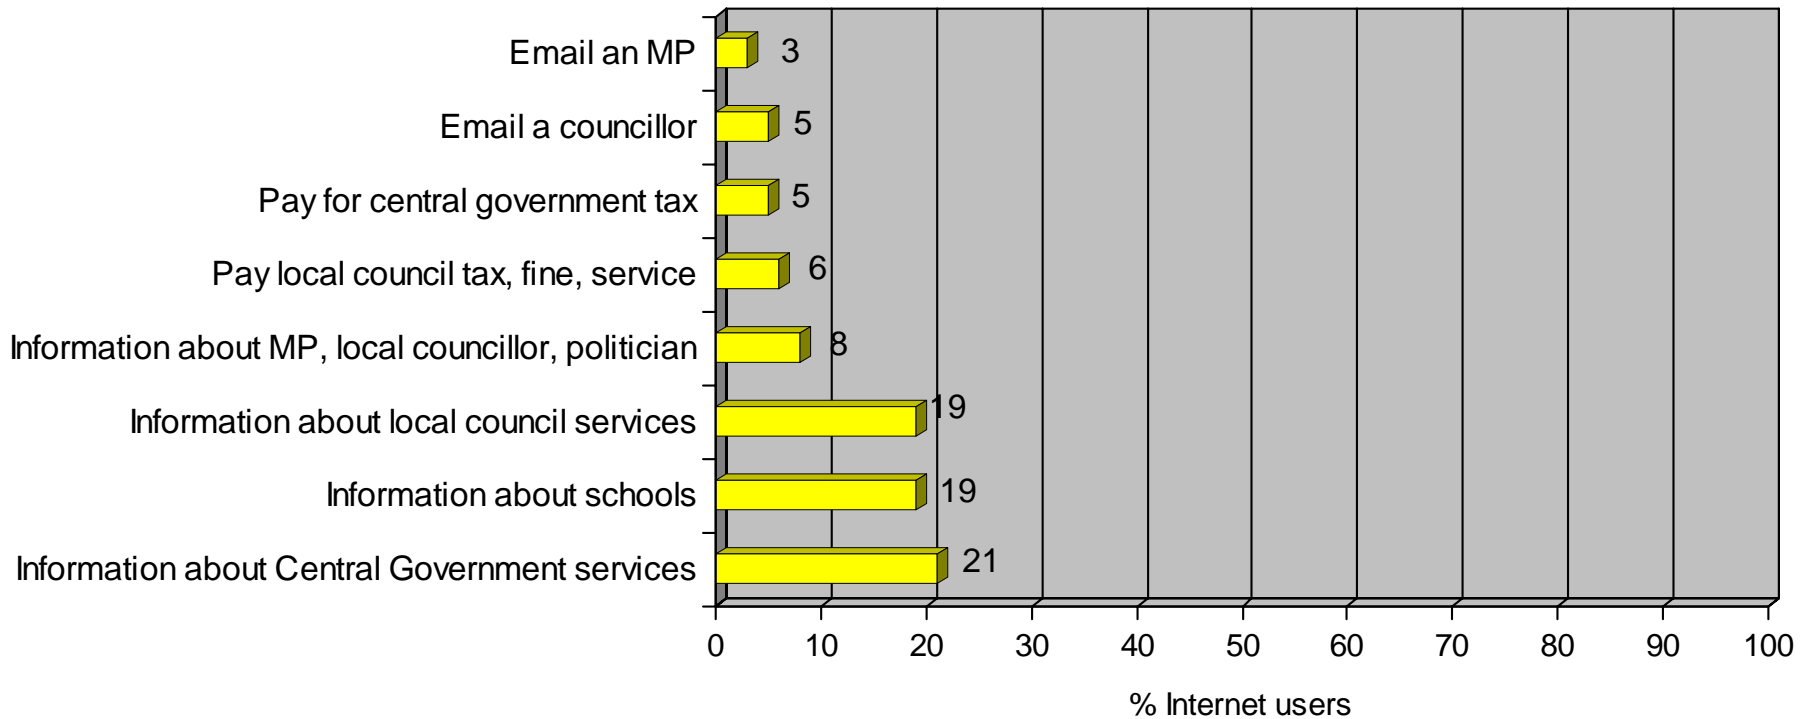

e-Government: did at least one e-government action online (2005)

N= 1,309 (Current Internet users)

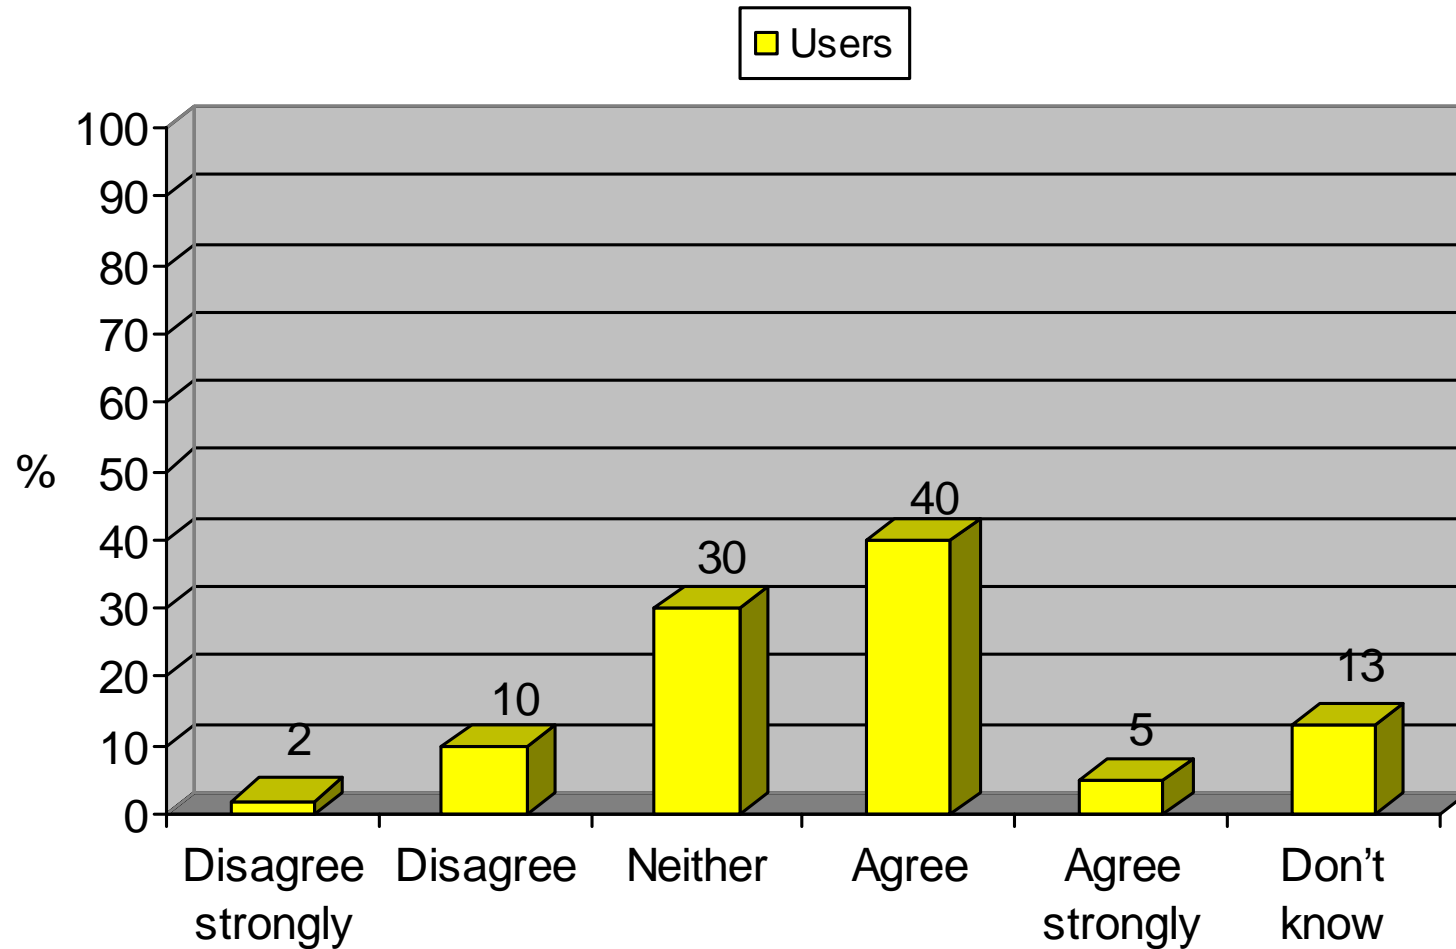

Internet and e-government (2005)

N= 1,309 (Current Internet users)

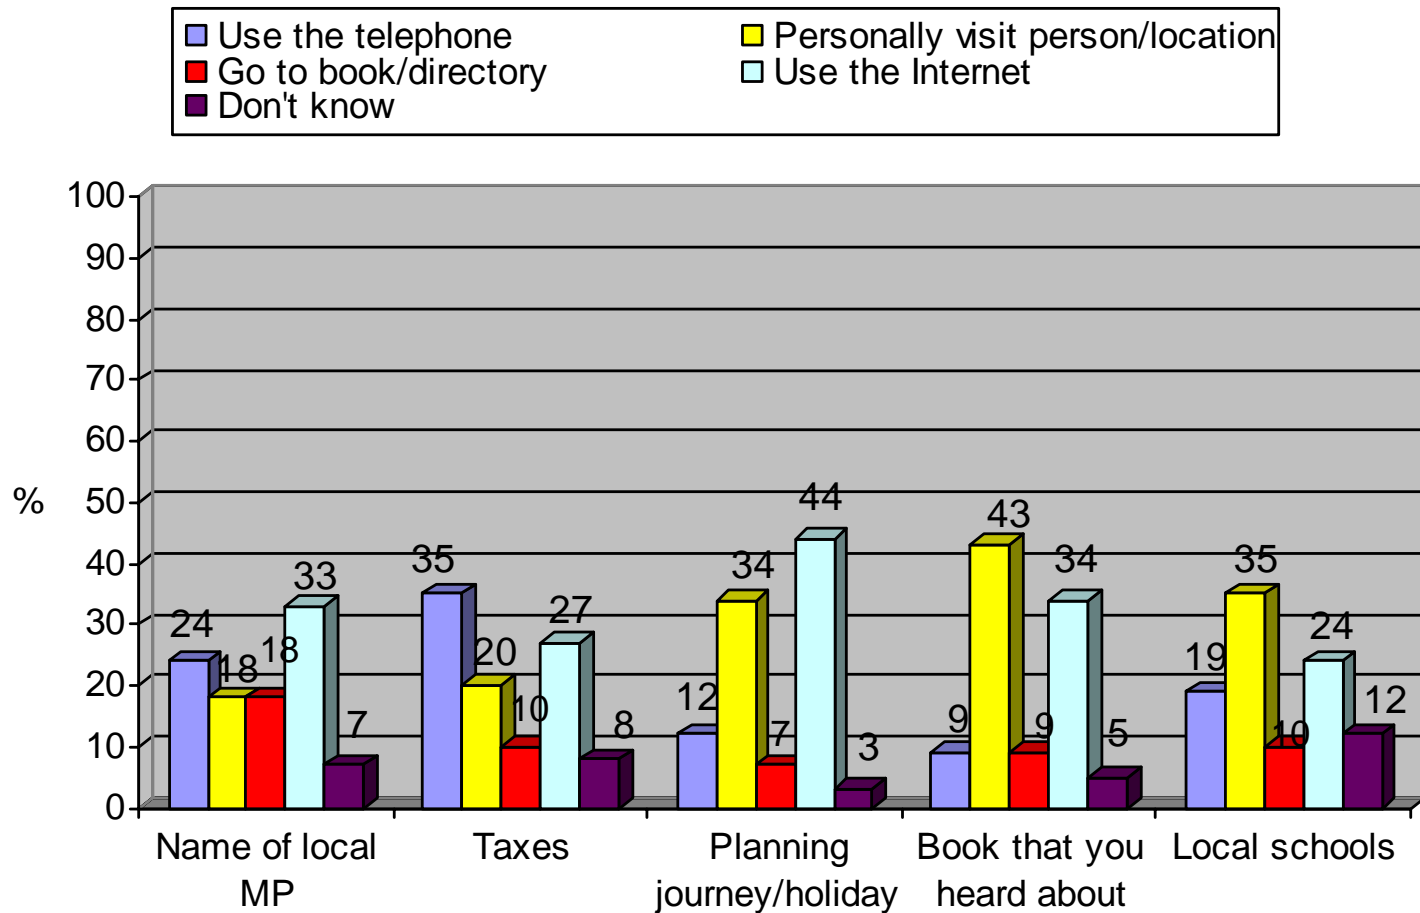

The Internet helps people express their concerns to Government (2005)

N= 1,309 (Current Internet users)

Where would you go first if looking for information on... (2005)

N=2,185 (All respondents)

The Internet allows me to keep in touch with people you normally could not talk to so often (2003-2005)

**OxIS 2003: N= 1,201 (Current Internet users);
OxIS 2005: N= 1,309 (Current Internet users)**

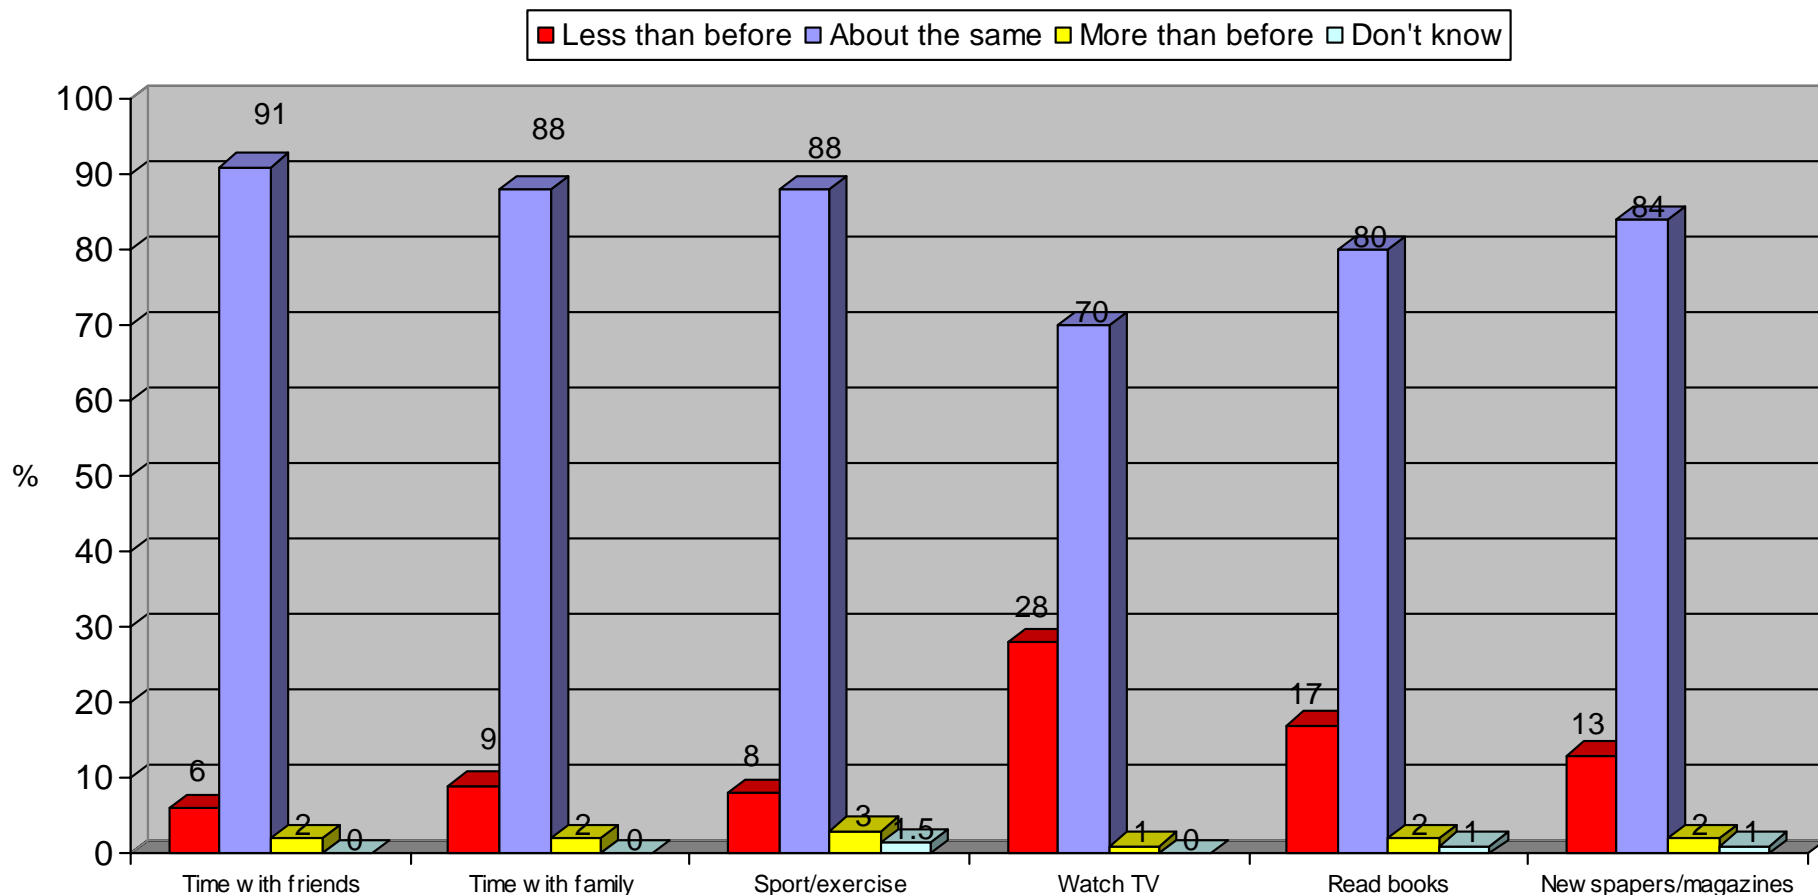

Met people or made friends online – 2005

N= 1,309 (Current Internet users)

The Internet and self-perceived time change on other activities (2005)

N= 1,309 (Current Internet users)

The Internet helps me save time (2005)

N= 1,309 (Current Internet users)

Multi-tasking (2005)

N= 1,309 (Current Internet users)

Do you do more than one activity while you are online such as listening to music, watching TV or using the telephone?

Multitasking by life-stage (2005)

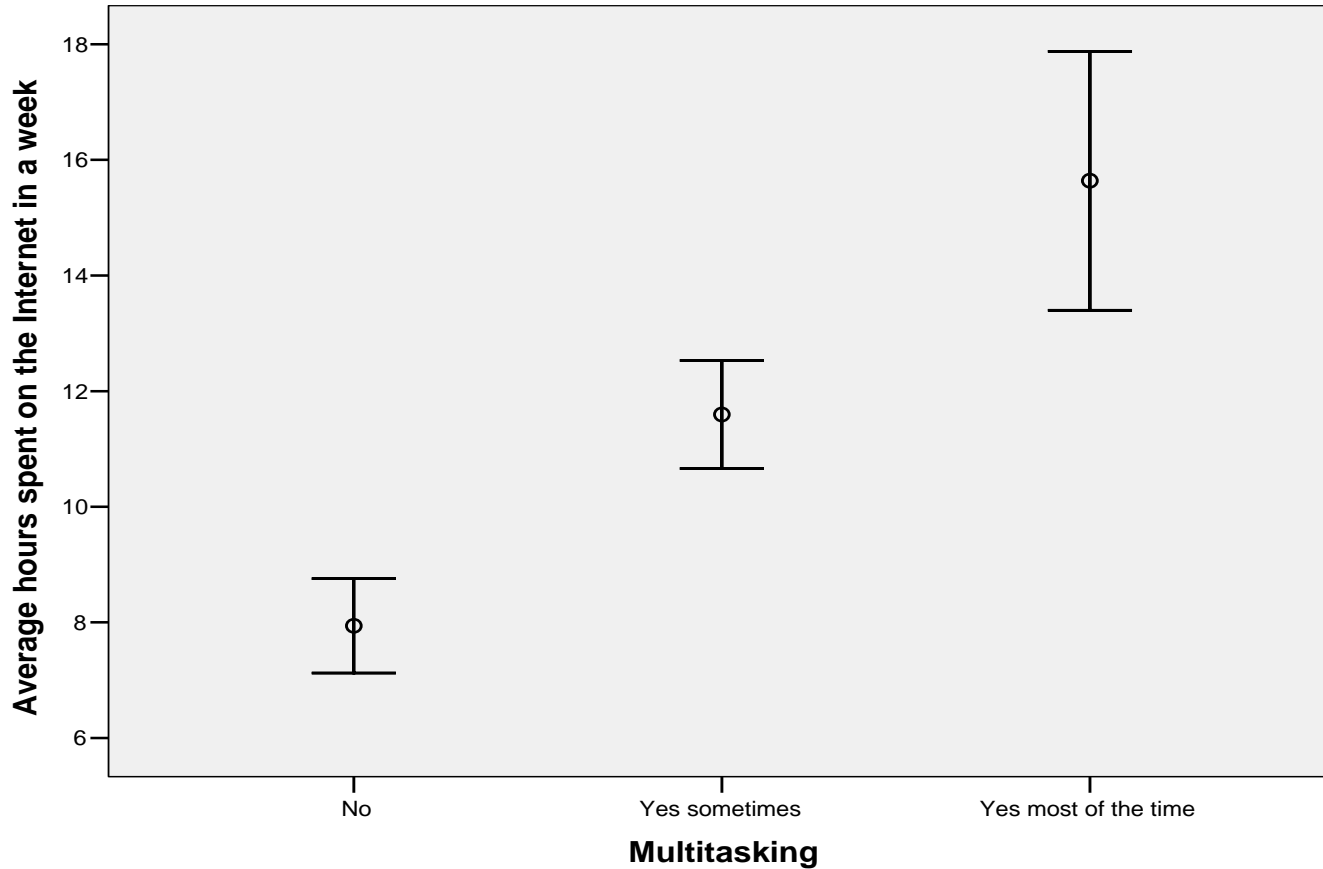

N= 1,309 (Current Internet users)

*'Pupils': aged 14-22 in full time education; 'Working age': employed of any age and all other persons not in employment up to age 55; 'Retired': 55 or over and not in employment

Multitasking by hours spent on the Internet (2005)

Average hours:

No = 7.9

Yes sometimes=11.6

Yes most of the time=15.6

Importance of the Internet to current way of life (2005)

N=1,309 (Current Internet users only)

Importance of the Internet by life stage (2005)

N=1,309 (Current Internet users only)

*'Pupils': aged 14-22 in full time education; 'Working age': employed of any age and all other persons not in employment up to age 55; 'Retired': 55 or over and not in employment

The Internet is making life better (2005)

N= 1,309 (Current Internet users)

Attitudes towards receiving SPAM (2003-2005)

OxIS 2003: N=1,037 (Email users); OxIS 2005: N = 1,208 (Email users)

*Which of the following most closely describes your attitudes towards receiving unsolicited mail, sometimes called SPAM?

Concern about protecting computer from viruses (2005)

N= 1,372 (Computer users only)

Bad experiences in the past year (2003-2005)

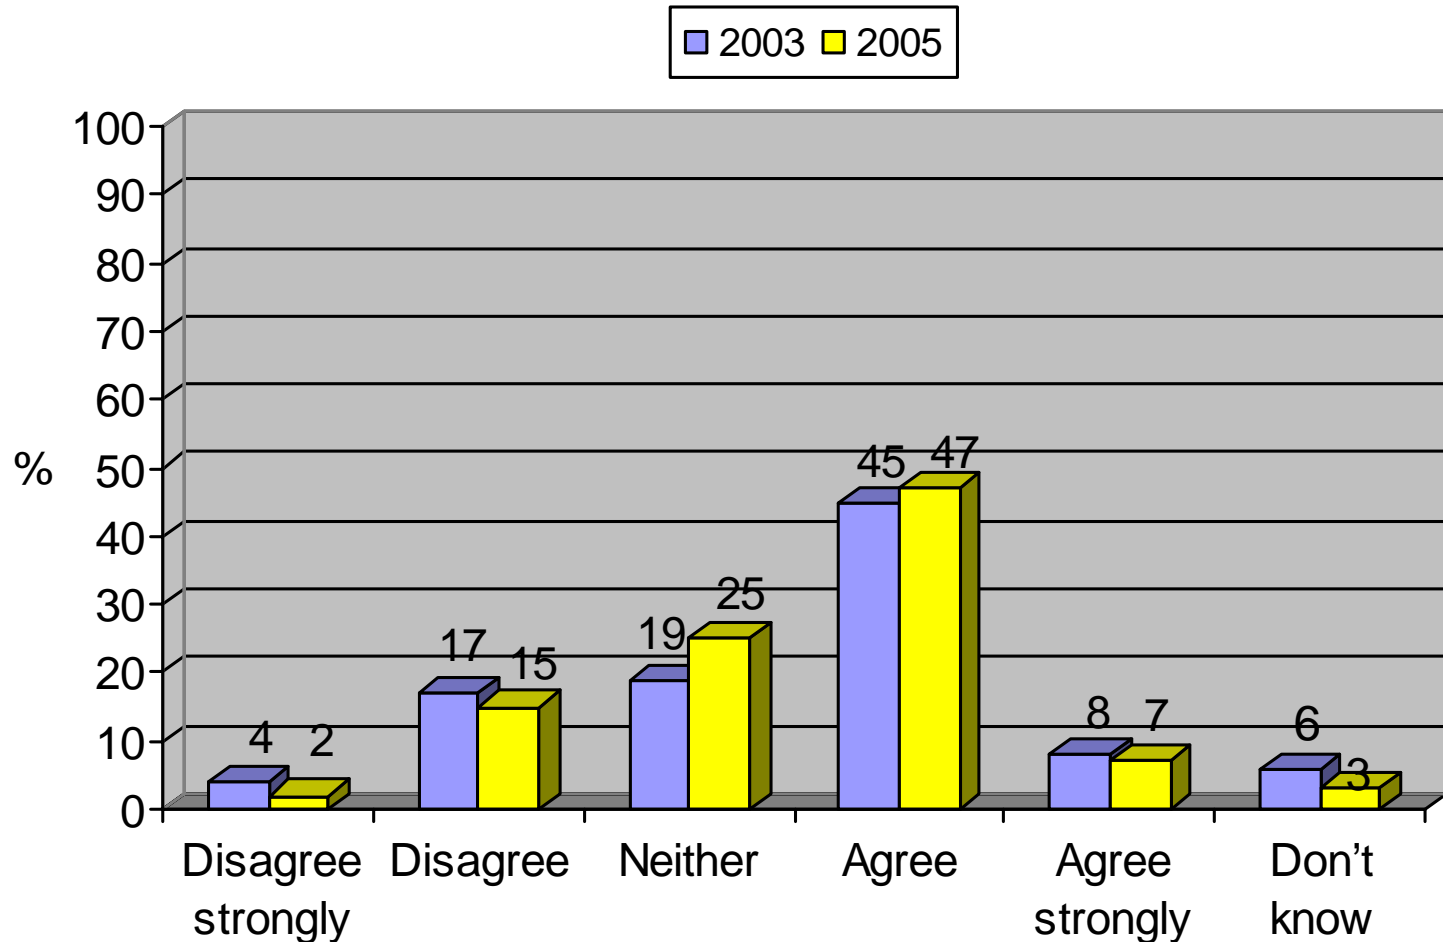

OxIS 2003: N=1,037 (Email users); OxIS 2005: N = 1,208 (Email users)

*asked to provide bank details' only asked in 2005

People who go online put their privacy at risk (2003–2005)

OxIS 2003: N= 1,201 (Current Internet users);

OxIS 2005: N= 1,309 (Current Internet users)

*note 2003 question asked in the context of shopping online

I am concerned about the amount of immoral material on the Internet (2005)

N= 1,309 (Current Internet users)

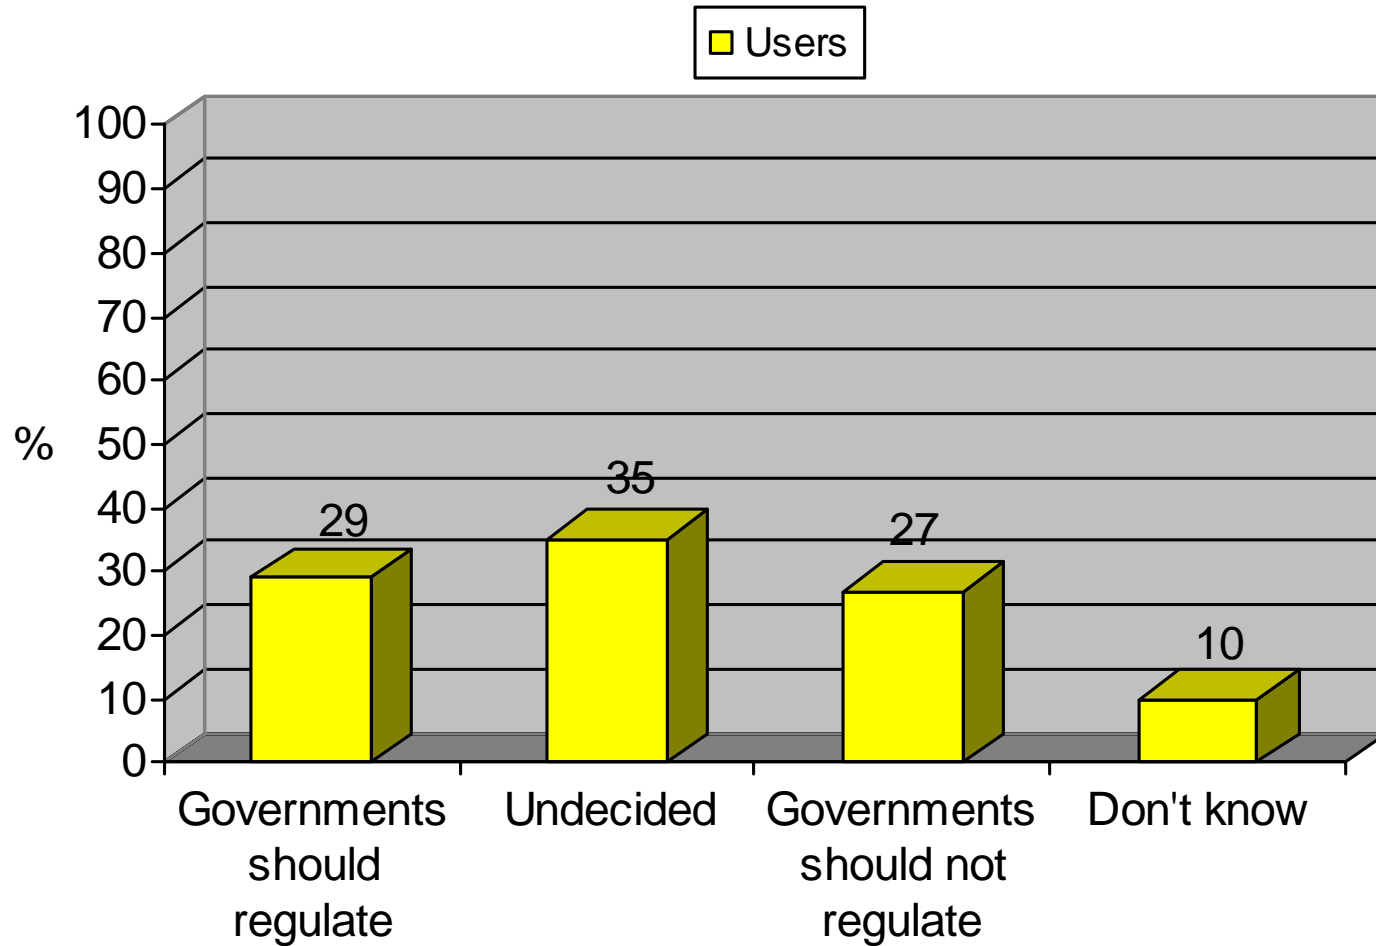

People should be able to express their opinions on the Internet even if they might be offensive to me (2005)

N= 1,309 (Current Internet users)

Internet regulation (2005)

N= 1,309 (Current Internet users)

Attitudes towards Internet regulation by Presence of children in the household (2005)

N= 1,309 (Current Internet users)

Opinion of restriction of children's access to the Internet (2005)

N= 1,309 (Current Internet users)

Who should be responsible for these restrictions (2005)

N= 1,309 (Current Internet users)

Everyone in Britain should be required to carry an identification card (2005)

N=2,185 (All respondents)

Information which should be included on identification card (2005)

Person's signature Person's photograph Person's fingerprints

N=2,185 (All respondents)

Income and Internet Use, 2005

Source: OxIS 2005, Number of respondents = 2,185

Broadband Use by Income - 2005

Source: OxIS 2005, Number of respondents = 2,185

Modes of Access by Income, 2005
